"Beginning In JERUSALEM"

Why is it that so many Christians "shy away" from witnessing to Jews?

Whatever their reasons, the fact remains that the Jews need Christ as much as you and I. God's Holy Spirit knows no distinction between Jew and Gentile.

Refusal to witness to the Jews is disobedience to our Lord and discrimination against His ancient people. For twenty-five years our Society has been carrying the message of God's grace to Jews here at home, in Europe, India, Israel and Latin America. We are also giving essential help to the victims of hatred and persecution.

Your prayers and fellowship in this ministry of Christian witness and practical love will be appreciated.

Hae Un (S-8)

A sponsor writes . . .
"Nothing on the face of this earth ever gave me the 'blessing' of having my own little Korean orphan girl, Shin Shoon Ja."—R.M., Seattle, Wash.

Christmas will have a new and deeper meaning for you and your family if you will decide NOW to sponsor one of these lovely but destitute Korean orphans. For only $10 a month (just 30 pennies a day) you can underwrite the complete care of a saddened child who is eagerly awaiting the "news from America" that someone has heard his cry for the necessities of life—and above all, for love and affection. Yes, each child wants desperately to be wanted, to be loved, and to love in return.

ORPHANS ARE PRAYING FOR SPONSORS

"It is simply heartbreaking," writes Mrs. Kim In Sook, superintendent of our Blue Bird Orphanage, "to listen to the prayers of unsponsored children. They are praying that their 'sponsors may come very soon' and some of them feel that the reason they do not have sponsors is 'because they have sinned.'" For their sins, their superintendent points them to Christ. Only YOU can answer their plea for a loving sponsor—a "Mommy" and "Daddy" for Christmas. Your answer will thrill the hearts of the children and assure their faith as you share with them the *TRUE MEANING* of Christmas.

Tragedy stalked these children. Kee Hyun (S-1) found wandering alone in bus station by Army M.P. and brought to orphanage. Ie Taek (S-2) parents unknown, picked up while begging in street. Myung Sun's (S-4) father died of disease, mother remarried, disappeared and abondoned child, All children pictured here, and many, many more, are without sponsors.

As sponsor you will receive the child's name, photo, address, as well as a photo of the orphanage home and group of children who live there. If old enough, the child will write (translated into English), and your heart will be "strangely warmed" with this new and wonderful contact. If child is too young to write, a staff member will do so.
